Lapwai Community Recycling Kickoff

Thank you to all who attended the Lapwai Community Recycling Kickoff on March 28th. This event was an opportunity for the Tribal community and general public to bring their home recycling and win a free tee shirt, sign up to receive a free home recycling bin, and put in requests for used appliance removal, all while enjoying awesome live music by Wottolen Gould and eating free hotdogs expertly cooked by Nez Perce Tribe Law Enforcement!

The Community recycling trailer will be at the Pi-Nee-Waus parking lot on Payday Thursdays (10 am to 2 pm) April through August on a trial basis. Please take advantage of this opportunity to recycle. If it is used enough, it will continue past August.

“Talkin’ Trash”

Recycling T-shirt
Winners help reduce
waste:

Crissy Garcia

Peggy Van Woerkom

Lalonne Burke

Corazon Huihui

Rachel Edwards

Preston Leighton

Ted George Jr.
