## Just a Reminder—

### What Can You Recycle With Us?

#1 & #2 Plastic bottles - **empty & rinsed\***

Aluminum cans - **empty & rinsed\***

Office paper, envelopes, catalogs & magazines

Shredded paper - in clear plastic bags

Newspaper

Used printer/ink cartridges (no toner)

Used candles

Cardboard - flattened

Tin cans - **empty & rinsed\***

Car batteries

\*If it is not rinsed, it is considered contaminated and goes straight to the landfill—the exact opposite of what we are all trying to do!

## “Talkin’ Trash”

Boys & Girls Club  
Members Help Reduce  
Household Hazardous  
Waste!

Boys & Girls Club members worked with TSWAN and Water Resources Division staff on green cleaning as an alternative to using commercial products that are Household Hazardous Waste. The children learned how to make six green cleaning products and then taught what they learned to Tribal elders and Tribal staff at the Seniors Housing and to Tribal staff and the public at the Club.  
(See “In the Spotlight” below.)

**Please note—Due to the huge increase in the volume of recycling we are handling this year, the Recycling Facility will be closed on the third Monday of each month for maintenance.**
